Subject: Great Eastern Medcial School & Hospital, Ragolu, Srikakulam - Renewal of permission for admission of 3<sup>rd</sup> batch of MBBS students for the academic session 2012-13 - regarding.

Sir/ Madam,

I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 3<sup>rd</sup> batch of 100 MBBS students at Great Eastern Medcial School & Hospital, Ragolu, Srikakulam for the academic year 2012-13 subject to submission of an affidavit by the college authority that the construction work in respect of Lecture Theatres and Resident Hostel will be completed within three months. The Board of Governors has granted approval after consideration of the compliance verification assessment report (16<sup>th</sup> June, 2012) along with the assessment report (1<sup>st</sup> & 2<sup>nd</sup> February, 2012) submitted to Board of Governors of MCI. The Permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- (i) No admission is permitted beyond the sanctioned intake capacity;
- (ii) Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- (iii) No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the next academic year and this renewal of permission is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

o/c A copy of the compliance verification assessment report is enclosed herewith.

Yours faithfully,

[PROF. SANJAY SHRIVASTAVA]
